MEMORANDUM FOR COMMITTEE MANAGEMENT SECRETARIAT
GENERAL SERVICES ADMINISTRATION

SUBJECT: Committee Charter Consultation – National Defense Intelligence College

Pursuant to the Federal Advisory Committee Act of 1972 (5 U.S.C., Appendix, as amended) and 41 CFR, § 102-3.60, the Department of Defense intends to renew the discretionary advisory committee, the National Defense Intelligence College.

In April 2007, the Department of Defense amended the committee's existing charter to reflect DoD's renaming of the college (Attached). The proposed charter not only captures the language of the earlier charter, but also addresses the CMS' recent concerns about mentioning the committee's recordkeeping in its charter.

Prior to filing the Board of Visitors for the National Defense Intelligence College's modified charter with the Library of Congress and the appropriate congressional committees, the Department of Defense respectfully requests that the Committee Management Secretariat review and approve the proposed charter (attached). The Office of the General Counsel for the Department of Defense has reviewed and approved the proposed charter modification.

If you should have any questions about this charter please contact my point of contact, Mr. Jim Freeman, at 703-601-2554, extension 128.

MEMORANDUM FOR COMMITTEE MANAGEMENT SECRETARIAT
GENERAL SERVICES ADMINISTRATION

SUBJECT: Committee Charter Consultation – *National Defense Intelligence College*

Pursuant to the Federal Advisory Committee Act of 1972 (5 U.S.C., Appendix, as amended), the Department of Defense established the *Board of Visitors Joint Military Intelligence College*. At Attachment 2 is a copy of the committee's current charter.

Recently, the Department of Defense renamed the Joint Military Intelligence College; the new name is the National Defense Intelligence College. The mission of the college's board of visitors remains unchanged; however, the Director Defense Intelligence Agency, which oversees the college, has requested that the name for the board of visitors be revised to reflect the college's new name.

The Director for Administration and Management, who exercises the Secretary of Defense's statutory and regulatory FACA authorities, concurs with this request and asks that the Committee Management Secretariat favorably consider the charter modification request (Attachment 1).

The purpose of the *Board of Visitors for the National Defense Intelligence College* (hereafter referred to as the Board of Visitors) is to provide the Secretary of Defense independent advice on matters relating to the mission of the National Defense Intelligence College.

The Department of Defense has authorized the Board of Visitors to establish subcommittees, and the Board of Visitors and its subcommittees shall operate under the provisions of the Federal Advisory Committee Act of 1972, the Sunshine in Government Act of 1976 (5 U.S.C. § 552b, as amended) and appropriate Federal regulations.

The Board of Visitors shall be comprised of no more than twelve members, and the Department of Defense, to achieve a balanced membership, will include a cross-section of experts and eminent authorities in the fields of national intelligence, defense and academia.

The Secretary of Defense approves the appointment of the members, and those who are not full-time Federal officers or employees are appointed as Special Government Employees under the authority of 5 U.S.C. § 3109.

Prior to filing the *Board of Visitors for the National Defense Intelligence College's* modified charter with the Library of Congress and the appropriate congressional committees, the Department of Defense respectfully requests that the Committee Management Secretariat review and approve the modified charter (attached). The Office of the General Counsel for the Department of Defense has reviewed and approved the proposed charter modification.

If you should have any questions about this charter please contact my point of contact, Mr. Jim Freeman, at 703-601-2554, extension 128.
